

## Ivanti announces proposed acquisition of Cherwell

Ivanti and Cherwell have entered into a definitive merger agreement for Ivanti to acquire Cherwell. The agreement remains subject to regulatory approvals.

A full copy of the press release issued by Ivanti can be found on this [link](#). Ivanti is acquiring Cherwell to expand the reach of its Neurons platform with the vision of providing an end-to-end service and asset management solution from IT to lines of business.

This acquisition is a testament to the success Cherwell has achieved in Enterprise Service Management. Cherwell was recognized early as one of only two leaders, next to ServiceNow, by Forrester in their inaugural 2018 Enterprise Service Management Wave. Since then, Cherwell has continued to pioneer and lead the use of service management and automation to Make Work Flow across the enterprise.
